

MCE to Attend 2015 MACo Summer Conference

On August 12-15, Maryland Correctional Enterprises will attend the 2015 Maryland Association of Counties (MACo) summer conference. This year's theme, "Energize. Mobilize. Capitalize", will spark discussion about growth and development opportunities throughout Maryland. An estimated 2,000 government officials, county staff decision-makers, legislators and business representatives will be in attendance.

As an exhibitor, MCE will display our products and services to all convention attendees. We look forward to discussing the positive impact MCE has on the Maryland community as well as developing new partnerships.

MCE will be represented at booths 115 & 116. [Click here to view MCE's exhibitor video available to all conference attendees.](#)
